FHIR-Based Exchange

Bill Mehegan

02/25/2021

Update

- The Steering Committee formally adopted V1 of the Implementation Guide (IG) for production use during its December meeting
- The IG is now an official Carequality Element and is published on the resources page of the Carequality website
 - <https://carequality.org/wp-content/uploads/2020/12/Carequality-FHIR-Implementation-Guide.pdf>
- We're still looking for Early Adopters to participate in this new ecosystem
- If you'd like to learn more about FHIR-Based Exchange opportunities, please send an email to admin@carequality.org expressing your interest

Next Steps

- In order to ensure smooth onboarding at launch, we plan to conduct a proof of concept test of the new Implementation Guide with at least two volunteer organizations
- Straw Proposal
 - Proof of Concept Testing: **Q1 2021**
 - Organizations interested in joining our tests are invited to contact us at Admin@carequality.org
- Findings will be integrated into the guide ahead of final approval

QBDE v2.0 Updates Review

- The workgroup has completed all updates planned for v2.0
- Next steps:
 - Distribute draft to Implementer community for feedback
 - Update the draft based on Implementer comments
 - Request adoption from the AC
 - If no feedback from the AC, request adoption from SC
 - Implementer objection period
- Comments are in and a new draft is being produced
 - Please submit comments to: Cdickerson@carequality.org
