Carequality serves on the RCE Team working with ONC to implement TEFCA.

Our framework inspired the TEFCA architecture.

# Alignment and Differentiation

| | Carequality | TEFCA |
|---|---|---|
| **Query Standards** | | |
| **ITI-55 (XCPD)** | Yes | Yes |
| **ITI-56 (PLQ)** | Yes | No |
| **ITI-38/39 (XCA)** | Yes | Yes |
| **Use Cases** | | |
| **Electronic Case Reporting** | Yes (scaling quickly) | No |
| **Query** | Yes | Yes |
| **FHIR** | Yes | No |
| **Subscription Notifications (push)** | Yes | No |
| **Image Exchange** | Yes | No |

# Alignment and Differentiation

| | Carequality | TEFCA |
|---|---|---|
| **Purpose of Use** | | |
| **Treatment** | Yes | Yes |
| **Coverage/Benefits Determination** | Yes | Yes (gov only) |
| **Payment** | Yes | No |
| **Healthcare Operations** | Yes | No |
| **Public Health** | Yes | No |
| **Patient Access** | Yes | Yes |
| **Other Authorization-Based Disclosures** | Yes | No |

# Alignment and Differentiation

| | Carequality | TEFCA |
|---|---|---|
| **Governance** | | |
| **Trust Agreements** | Yes | Yes |
| **Dedicated Representative Network Governance Body Required** | No | Yes |
| **Adoption** | | |
| **Current Exchange Volume** | 350M+ Transactions/Month | Not Live |
| **Networks and Organizations Adopting** | ~50 Implementer networks, including service providers | 6 Applicant QHINs |
| **Federal Participation in Exchange** | SSA is live; other agencies in planning stages | Hope to see agencies participate |

Carequality implementers realize the benefits of nationwide exchange today and can expect a familiar onboarding experience to TEFCA.

carequality

## Our Rationale for Parallel Evolution

- Represent industry

- Provide inputs to help ONC make pragmatic decisions that address real-world needs

- Expand use cases beyond clinical care

- Cultivate innovation
